Co-funded by the Erasmus+ Programme of the European Union

Brief description of the action/activity/event: Post on the UNISHK website the Virtual Study Visits/workshops at the National Kapodistrian University of Athens and Masaryk University accessibility Units, and at the University of Limerick in the framework of D.2.1.1 Development of New Protocols and Drafting of Policy Papers with Normative Suggestions.

UNISHK staff, During the period May-June 2021, within the IDEA project of the Erasmus+ Capacity Building in the Higher Education program, three virtual visits were made to the University of Athens, Greece (May 12-18), to the University of Limerick, Czech Republic (May 24-28) and at Masaryk University, Ireland (June 14-17)

In these activities, our university is represented by a working group, with lecturers from the Faculty of Education Sciences, the Faculty of Law and the Faculty of Natural Sciences, a group which will support its implementation in the future. During these virtual visits, the working group got to know the experiences and structures set up near these universities, assistive technologies, transportation, voluntary service in support of students with disabilities in these universities.
